

Dancing Queen (Parody by Debbie Lempert)

Ooh
We can sing
We can dance
We're having the time of our lives
Ooh, see that girl
She's the one
Honored for Torah Fund

Sunday night and we all are here
With our friends who we all hold dear
Celebrating our Gilda
And all that she has done
The whole time we're having fun

Gilda has done so much for us
Rarely does she make a fuss
Sacrificing her free-time
With David and her kids
To help our Sisterhood

So now we've got the chance
Let's celebrate tonight
We've done what's right
We've given to Torah Fund

It's our pandemic fight
Supporting others and their future's bright
We can sing
We can dance
We're having the time of our lives
Ooh, see that girl
She's the one
Honored for Torah Fund

Learning all about Torah Fund
We're not buying torahs, not a one
Instead we're raising money
To help future leaders learn
Right now it is our turn

So now that we've got the chance
Let's all celebrate tonight
We've done what's right
We've given to Torah Fund

It's our pandemic fight
Supporting others and their future's bright
We can sing
We can dance
We're having the time of our lives
Ooh, see that girl
She's the one

See that girl
She's the one
