

"Tommorrow" for Gilda
(Parody by Debbie Lempert)

(There is an 8 beat introduction with a pause before the song begins)

If you're looking for
a helper
Bet your bottom dollar that tomorrow
Gilda's there

Just thinking about
Tomorrow,
She'll be volunteering
for some project,
rest assured

If you need support,
An extra schlepper,
She'll raise up her hand,
And help you out

If you're looking for a good friend,
Gilda's is the person who will be there
Just for you

Oh Gilda, Oh Gilda
We love ya, oh Gilda
We thank you for all you do

(There is an odd transition here-not sure how to fix this but maybe you can adjust
the wording-feel free to edit anything you want!)

Looking for someone loyal,
Bet your bottom dollar that
Our Gilda
fit's the bill

She has volunteered for programs,
When she's had a wedding or grandbaby
On the way

She's been a great leader
here at Adath
and also in our
community

If we could clone you,
Dear Gilda,
How much stronger
we would be together
cause of you

Oh Gilda, Oh Gilda
We love ya, oh Gilda
We thank you for all you do!

Oh Gilda, Oh Gilda
We love ya, oh Gilda
We thank you--- for all (4 beat) you (4 beat) do!
